

Pastor Jack Myers Prophecy – AM Service 10.13.2024

Do not be weary in well-doing.
For in due season, you shall reap
if you don't quit.

For My mighty hand is upon you,
I AM your Iron Dome, says the Spirit of the Living God.

Do not look at what you think you don't have
but look at what I have given you
and I'm allowed to give to you even more.

Don't be concerned, don't be worried
about paperwork, finances,
whatever it is that you think you have your mind on.

"Put that on Me," says the Lord and you'll see
My right hand
move upon thee in a very strong way.

So don't be concerned about it. Trust Me! Trust Me!

Have I ever let you down? No, I haven't!
Have I ever forgotten about you? No, no I haven't!

I will not, I will not, I will not, I will not, surely, I will not.

Now, "I'm loosing My angels right now to work on your
behalf so there would be no more delay in that which is
owed to you," says the Spirit of the Living God.

"So don't be concerned about how it's gonna happen.
I'm working it out for you,
I'm working it out," says the Spirit of God,
"I'm working it out!"

"You just go about and put your hand to whatever you
put your hand to and leave the rest up to Me," says the
Spirit of God. "For I AM with you!"

"Am I not your Strong Tower, Am I not your Shelter?"
says the Spirit of God.

"Yes, I AM your Strong Tower!
Run into Me and everything will be fine.

Run into Me, for I will cover you, for I AM the Divine!"

Are you not like the geese,
am I not like the mother goose;
therefore, I will protect you!
My wings they overcome; they overshadow you.

So do not be concerned about these things even in the
days to come for My mighty hand,

My mighty right hand,
My mighty right-hand dome is over your life,
over your property,
over your family, over your children,
over your grandchildren.

"Do not be concerned – for even in the days to come,
you will not lack," says the Spirit of the Living God.
"But you shall have plenty and more than enough,"
says the Spirit of the Living God.

Hallelujah! Hallelujah! I said, Hallelujah!
Oh my, Hallelujah!
Glory to God! Hallelujah! Hallelujah! Hallelujah!
Glory to God! Hallelujah!
