

*In the Midnight Hour...*

*I Wish You Truth...*

*Truth in all you know, Truth in all you sow,  
Truth in your speech, Truth in your thoughts,  
Truth in your feelings, & Truth in your walk.  
Truth in your hands, & Truth in your feet,  
Truth when you enter...Truth when you leave...  
Truth before you, Truth behind you  
May Truth surround you, May Truth find you.  
TRUTH = Him*

*Find this and a new life begins*

*I wish you TRUTH!*
