

Sunday Night October 13th, 2019

It may even start out a little slow in 2020 for the adjustments that will be made but by the time in March and April and May things will accelerate even more, and some of those things that you have been believing God for shall come to pass. And for you will know at last that I am with you, because I am just and I am a justifier to them that love my name. I'm just.

So stay the course. Run the race. Finish the course. Contend for the faith. Hallelujah. Keep keep on. Keep keep going. Keep going on, just keep keep on. Keep on plowing. Keep on trudging. Keep on running, Hallelujah. Keep following my word and my spirit and you won't go wrong. You won't get off of the path. No, it will come to pass at last. And great will be the rejoicing and you will even say "Wow, this is really awesome" and you will have to pinch yourself and go "Man is this really happening to me" "Can this really be happening" ...Yes, Yes I will do it says the Lord. I will do it and I will bring it to pass, and I hear the word of the Lord say that I will repay seven-fold, to that which satan has stolen from you. He will give it back seven-fold. If you've lost it you will gain it back. Yes, you will gain it back in this life.

So just stay faithful to the covenant, stay faithful to my word. Stay faithful and keep running and keep going. And yeah even that that you have been disappointed in you will go "Oh my gosh, my God turned it around for me, He turned it around for me, He turned it around for me, for my family, for my kids, for my relationships, He turned it around for me, Hallelujah. The Great Turn Around. Yes, even 2020 will also be know as the year of The Great Turn Around, a great turn around, a great turn around. Seemingly going one direction and then turn around. It's going in a direction in which your father is directing it. Hallelujah and Yes and Yes, there are those right now who cannot see, because the enemy is blinding their eyes, but the veil shall be removed and they shall have eyes to see and they will have ears to hear, Hallelujah, Hallelujah. So be encouraged, don't be discouraged. I will bring you out and I will put you into the land of milk and honey and I will bring you out supernaturally. Supernaturally I will move on your behalf. And if you say that "I have NOTHING Lord" then that is a good place, because I am and will always be your everything. If you have me then you have everything, says the Lord, Thank you Jesus.

Many of you will go to a new level in me, and dreams I'm going to give you dreams, you will be dreaming dreams, heavenly dreams and you will be seeing things. You will have an increase of the spirit of seeing and knowing on the inside, of what to do and what not to do, and you will have confidence in it. You won't question you see, for I am with thee and I am in thee and I am for thee, and if I am for thee there is nothing that anyone can do, not no demon, no satan, no person can do anything because if I'm for you then nothing can ever be against you, says the spirit of the living God. Hallelujah.

Each of you will fulfill your fullest potential, your fullest gifting. Your fullest gifting shall come to pass. Just put some things on the shelf, don't be concerned about them just go for the ride. Just go for the ride, let me carry you into that which I have for you. No striving, no pushing, no shoving, No... smooth sailing. Smooth sailing and always follow peace and always follow joy. Peace and Joy will go before you even in Chaos peace and joy will be there before you, so therefore in the season that you are in, it is a time for equipping it's a time of preparation, for preparation time is never wasted time, says the Lord God Almighty, Hallelujah, says the mighty Holy Spirit.
