

What has God said? For 2023?

Brother Copeland:

Sept. 29th:

"Enormous amounts of changing. Disturbances that are in the nation now will begin to be ironed out, because of the major decisions that the Supreme Court has made. A year of great healings, whole churches will be healed and brought back to a place that they have lacked for the last five years."

"It will be year of judgment, I will judge things good, and it will be a year of judgment upon bad things. People who do not pay attention to what The WORD is saying and pay no attention to My WORD and to My people—they will come to a place where it is just an act of judgment because of the seeds they have sown. And many, many, many of them will come to pass in 2023."

"There are those that will say, 'Glory to God, I have been corrected and now my finances are straightened out.' And there are others who will say, 'I do not understand why all this has happened to me, but I guess give God the praise.' **But people will begin to know and understand that VICTORY IS AT HAND when you worship Me, praise Me, and put My WORD as final authority in your life.** You will know and understand more about this Book and its authority in our lives."

"You will know Me because I am the Truth. I am the Life. And I am the Way. My Father is Truth. With the two of us together in your life, Truth will become a way of life for you. It will break the bondages the devil has put in there."

"All of this will come to pass before 2023 is halfway through."

2023 will be as exciting as it can be! It'll be the time when you'll say it, and the devil will flee. Because you will know the Truth and the Truth will make you free! And all around you will begin to rise up, like great mountains of victory. And you'll stand strong and say, "God is on my side in 2023, because He's BLESSING me." Amen!

Oct. 26th:

There will be many that bow the knee to Baal. There will be many that bow the knee to Me," saith the LORD. **"For the outpouring of My generosity and My goodness has begun and will continue and go on and on.**

"For the bottom line is the freedom of My people and the true freedom of this nation. The people that raised this nation up are part of the great cloud of witnesses. They are witnessing it in the spirit—the power of the resurrection of this nation to bring it back to its original roots, and to bring it back to Me on bended knee.

"I have heard from heaven from My people, and I will get it done. **It will look better, do better and be stronger than you ever dreamed it could be. THIS is 2023.**"

Make sure that My WORD is Final Authority in your life in 2023."

Jan. 6th, 2023:

There are those that say, Oh Lord, Oh Jesus, we would that You would come today, we long for You, we long for You to come. Thus saith the Lord: you have no idea how I long to come, and the moment my Father says, I'm on my way, I'm on my way, but until then, the greatest days in the history of the universe are at hand, the final moments of this entire workings is at hand, the final days, the final moments, the final hours, you have no idea how close it is, it's here, it is here. 1948 signaled the day, that generation, that's the generation, we are that generation, Glory to God Hallelujah.

Hank Kuneman: Year of the remnant multiplying.

Swift change, Sudden change? Do you hear and know that there is not *just* rain?" But God says, "Listen. I speak and I declare the word 'abundance.'

For in a time when the enemy would desire to choke you – to bring you into fear because of inflation," God says, "watch My inflation. Watch My abundance. **Watch My increase that shall flatten his inflation and what the enemy has thought to cripple this nation and your economy and your finances. A Change in the Elements as a Sign**

"For I'm gonna raise up something, and I will bring signs in this day; for the signs shall be –change in your elements. It shall be where there has been drought, there will be sudden rain; and there shall be an abundance of rain, and it shall rain and rain and rain and rain and rain and rain. There shall be the rising of waters and there shall be floods.

"You say, 'Oh, God, no.'

Can it flood in places where they will say, 'We do not understand why it is flooding here, but it has reached the fields; it has reached the highways; it has reached the byways; but it has stopped just before it has reached the town'? This will be but a sign that My hand is saying to the earth that I am the Lord. It is a sign when you begin to see," God says, "*record numbers*. It shall not be measured in inches, but it shall be measured in feet, feet, feet of snow.

"And you will say, 'What is this that is happening? For they are not speaking inches; they are declaring *feet*. Has the earth gone mad? Has global warming changed the atmosphere? Has the earth shifted on its axis and caused these strange things?'"

God says, "When you see the size of what shall come by inches and feet, and when you see the abundance of rain, and then there shall be a *strange thing* that shall disrupt communications, and they will say, 'What is the sound?' It is the sound of My hand bringing about the change – swift change – that will begin to affect even the governments of the earth. It shall affect Brazil, it shall affect Bolivia, it shall affect Peru, it shall affect Mexico. United States, you are on My list – Canada, Australia; and watch what I do to shift Ukraine and bring things to a halt. This is the hour of swift change," says the Spirit of God.

"Therefore, watch, for I am the God of the supreme, and I will do supreme things. But one of the things you will see is supreme justice that shall come in places where they have lied, where they have stolen, where there has been fraud, where there have been treasonous acts." God says, "Enough of this, for I am a righteous Judge, and so I ask you a question:

Men are crying out, saying, 'Repent, America!' But My question to you,' says the Lord, the righteous Judge, '[is]: Shall I deliver this nation by many, or by a few? Can I tell you; it's already happening by the hands of a few that I am turning this country around for your good. And you will see it, and it shall be in swift changes – sudden changes, and it shall be in the signs, from inches to feet; from drought to abundance of rain; from where there has been stillness of waters to flood. These will be My signs to reveal what I'm doing in this time," says the living God.

"Watch your court as I do a supreme thing. I'm gonna shake, rattle and roll through the Supreme Court, and there's gonna be rulings that are gonna be shocking in a good way. And there's gonna be rulings that are gonna cause your head to tilt. And there's gonna be rulings that are gonna reverse. And there's rulings that are gonna bring swift change – sudden changes – to bring sanity back where there has been insanity," says the living God of the Supreme.

"I have sent My hosts into the earth at this time... that it will be as in the times when King Uzziah died, when Herod was struck by the angel and was no more, and the worms ate his body."

God says, "Watch the political scene; watch the world scene; for there are angels under My command now that shall strike down those who have been haughty; those who have raised themselves up by their own pride.

"You will say, 'This is the year,' as you behold the year that is upon you and coming. Like in the year that King Uzziah died, you will say, 'The angel of the Lord has come and wielded his sword, and they have been removed; they are no

more.' And some, it shall be reported...they have died. **But there is a protection, and there is life that I'm giving to those who have stood in this time. There's a preservation for their perseverance."**

Dr. Rodney: Nov. 10th,

We are close to the return of the King, but the end is not yet! Run your race to the fullest until it's finished, approaching today with the attitude that you have just begun, regardless of where you are, your age, or things happening around you. Rick Renner: Dec.2022

2023 will be filled with, Divine Surprises, Divine Provision and Divine Revelation, for "THOSE", who will receive it. (Take it by faith)

Dr. Jack: Jan. 31,2022

The "world" has entered into the dark ages, light is very discernable from dark, the 2nd amendment will be iron-clad. Divine provision for those "in covenant" the reaping of your words, don't "visit" the ark any longer, #allin.

Pastor Marie: #unstoppable #runningfreein2023, Year of Destiny!

I have the strong sense that you cannot spend the 1st quarter of the year as you have the last, "dilly-dallying" waiting to see, getting around to it, taking your time! Be fully committed from day 1 and stay that way, no more in and out, no more "pot plants" moving here and there based on how you feel, away from pain and towards relief, that won't work this year! No turning back/away, forward walk, march, run!

Pastor Nancy: Acceleration and Abundance

Jewish year: 5783:

Year of retribution, rest from "crucifixion" rain, mercy, culmination of fasting's and prayer of 2022. The vengeance and fury of God on our behalf. Guard against presumption, seek wisdom, a child weaned, walking forward.
