

Pastor Jack Myers Prophecy 11.09.25 PM

I hear the Spirit of the Lord say, "that even in the days to come, there shall be an increase in your life in the areas that most matter to you, and you know those matters. So, I'm going to increase things. I'm going to bring some changes, but they are good changes, and it's a good increase, so don't be discouraged for what you're looking at.

"Look beyond for what I see," says the Spirit of God and "I'm gonna bring you into a place. I'm gonna bring you to a wonderful place, a wonderful place, where there is no lack, no sadness, no sickness, no disease.

And, yay, "I'll even answer your prayers where it's pertaining to your lost loved ones, and I will bring back your lost children and your children's children," says the Spirit of God. So, in the days to come, do not be concerned of what's happening upon the earth. These things have been prophesied by my prophets many years ago and they shall come to pass.

But don't look at those things. "No, look into me, the Author, and the Finisher of your faith, and I'll bring you through the situations.

I'll comfort you! I'll protect you! I'll guide you! I'll provide for you!
You will have nothing lacking! You will have nothing broken," says the Spirit of God.

So, know that these things shall come to pass as well. "As you see the world go into deep darkness, I'm bringing you into greater light," says the Spirit of God.

Because "I'm coming back for you, a glorious church without spot, wrinkle, or blemish," says the Spirit of God. So, don't be discouraged, be encouraged, be encouraged when you see these things coming to pass upon the earth.

Know this, it shall not come nigh your dwelling! It shall not touch you! It shall not even come close to you! For I've placed a hedge of protection around you. My Spirit will guide you!

And, yes, even my voice will be clearer and clearer and clearer as the days progress.

Don't be concerned of what you're seeing in your governments or the governments in the world. "These are situations that I've talked about ever since the beginning of time," says the Spirit of the Living God. "So, don't be concerned about these things. Rejoice when you see these things come to pass and look up for your redemption draws nigh," says the Spirit of the Living God!
Can you say, Amen, to that Amen to that! You, grab ahold of that!
