Found in Proverbs Chapter 25

1. **Appropriate Words**: Vs 11

Words that come naturally, (from our Spirit, filled with the Word) that run smoothly upon “wheels” that are not forced, and that are without design to hurt! *Proverbs calls them apples of Gold in settings of silver!*

2. **Refreshing Words**: Vs 13

Words of a faithful messenger are as refreshing and satisfying as a drink cooled by ice, in the heat of summer labor.

3. **Kind Words**: Vs 15

By words of kindness, understanding, and longsuffering a judge is persuaded, as easily as a soft answer overcomes obstinacy in others.

4. **Reproving Words**: Vs 12

Words of a wise reprovener to an obedient ear are like the most beautiful and cherished ornaments of fine gold.

5. **Vain Words**: Vs 14

Words of the “boaster” (*someone who says they will do something and does not*) are as disappointing as clouds without rain.

Which ones will you speak?

**Read/meditate/pray and ask the Holy Spirit to help you! He is your Helper!**
