

Prophecy - Pastor Jack - Sunday night 04.02.23

Oh Hallelujah... We worship You. Hallelujah, Thank you Jesus... Oh Man! The second quarter of the race is going to be even better than the first quarter of the race. Oh, my goodness, I'm telling you - the next quarter, the next four months - Oh my goodness!

You're going to have to pinch yourself and say "Man what is happening? What is God doing in my life?" Oh man, you'll actually even say, 'He's done exceedingly, abundantly above we could ever ask or think' Oh Hallelujah!

And there is going to be some repositioning taking place in your life, but good things, good repositioning. Oh Hallelujah! You won't even struggle with what you've struggled in the first four months of this year. It will be a light load, says the Spirit of the Living God. Oh, my goodness! It's going to be amazing what the Lord is going to do in your life even in the next four months. Oh, my goodness! Oh, my goodness! Hallelujah! Hallelujah! Hallelujah!

Listen, your breakthrough is right around the corner, it's right at the door. I'm telling you right now. You're not going to have to wait much longer before you enter into that place you've been desiring, says the Spirit of the Living God... so shout for Glory!!!

Hallelujah! Oh my! Oh my! What do I see? I'm going to tell you what I see. I see pay raises, I see promotions, I see a transfer of hundreds of thousands of dollars, I see mortgages paid off, cars paid off, I see you entering into a place that you've never entered into before with your relationship with God. Man! Hallelujah! Hallelujah! Hallelujah!

Increase! Increase! Increase! Increase! Increase! Increase! Increase! Increase! Oh my! Hallelujah!

Easy, just easy, easy, easy, easy as she goes, easy, steady as she goes, just easy, easy, easy, no struggling, no trying to manipulate, just easy! Oh man!

I feel like I want to run or dance or something or jump... Man! Oh Man Oh Man, Man Oh man! Oh Man! Hallelujah! I feel it! I feel it in the depths of my belly! Oh my gosh!

Right at the door, it's right at the door, it's knocking, just open it. Just open the door to the blessing of God for your life, open the door to His timing, open the door to increase, open the door to prosperity, open the door, just open the door, and it will come flooding in, it will come flooding in! Can you say amen! Hallelujah, Hallelujah! Hallelujah! Glory to God! Thank you, Jesus! Thank you, Father! Thank you, Holy Ghost!
