

PROPHETIC WORD Pastor Tod Delay

WORD AND SPIRIT CONFERENCE - SEPT 10, 2023 PM Service

And I hear the Lord say:

As great power is being poured out in these last days, as more is coming your way,
GREAT Wisdom will come with great power.

Wisdom like the Church has never seen before.

Because with great power comes great wisdom.

And the Spirit of wisdom and revelation will flow like
never before in My churches that are ready to receive.

Because my Word says, "If any man lacks wisdom, let him ask."

So great wisdom is coming with great power, because I am a
Steward of My power, so I give great wisdom with great power.

So get yourself ready.

Stretch out those tent stakes even more,
because great power is coming and great wisdom for more.
