

Pastor Jack Myers Prophecy - AM Service 12.31.2023

Father, we thank You... we're about to embark on one of the greatest years ever, the year of the open door. We're closing the door in 2023 but we're opening a brand-new door. The chapters of old have been read, written, and closed.

A new chapter of our lives, a chapter of glory, a chapter of miracles, a chapter of financial freedom, a chapter of deliverance, and a chapter of health. Yes, a chapter of the greatest harvest of souls, the chapter of the outpouring of the former and the latter rain, the chapters of angelic visitations. The chapters of incredible supernatural happening since the day of Pentecost.

A chapter of visions and dreams and things coming to pass and prayers that we've prayed.
A chapter of our children that are wayward coming home, our grandchildren coming home.
A chapter of drawing by your spirit those that you love, the prodigals.

A chapter of great change.

It's gonna be different, listen, it's gonna be different, it's gonna be different.

This year will be different than any other year and God is drawing people, He's drawing by His Spirit, I'm telling you.

So Supernatural! Miracles are gonna take place, Supernatural happenings, and I'm not just saying it.

I'm saying it by the Spirit of God! Oh, my goodness! Oh yeah and great JOY, great peace, great in the midst of total chaos.

Totally protected, totally, totally protected by angels, totally protected by the Word.
Oh my, hallelujah! Glory to God in heaven, glory to God, glory to God in heaven.

Listen, forget those things that are in the past. Close the door on 2023 – for there's a new door that has opened to you.

A new door in your marriage, a new door for finances, a new door for you. Close the door of 2023.
An open door to the realm of adventure. Whoa, glory to God, hallelujah, thank you Jesus!
Stay with the Word and stay with the Holy Ghost. Make sure you stay with both. That's the foundation,
Word and Spirit, Word and Spirit, Word and Spirit, Word and Spirit people.

Oh Hallelujah, thank you Jesus, glory to God, glory to God, glory to God, glory to God, glory to God,
glory to the Most High, Jehovah Jireh, Jehovah Shalom, Jehovah Tsidkenu, Jehovah Elohim, Jehovah.

Oh my! You are Jehovah!

Man, there's some things gonna come to pass at last. It'll come to pass at last. It'll come to pass it last! Oh yeah!
That what you've been believing God for will come to pass at last.
Even for years, 10 years, 15 years, 20 years, it'll come to pass.

It'll come to pass. It's going to come to pass, oh yeah, you'll see it, you'll see it in your lifetime.
It'll come to pass, it'll come to pass, it'll come to pass, it'll come to pass. Oh Hallelujah, thank you Jesus!

And the anointing shall even increase even more.

As wickedness abounds, the grace of God will bound even more.

Oh my, supernatural, the supernatural! Thank you, Jesus!

No more torment in your mind, no more mind torment, no more tormented in your mind, no more, no more, no more!

He's drawing! Draw close to him and he'll draw close to you. Just draw close to him and he'll draw close to you.
Draw close to him! Oh my, it's gonna be different, it's gonna be glorious, it's gonna be, oh hallelujah! That's it!

He's your healer, He's your financial way-maker, He's just, He's your just judge.
