

What has God said for 2026?

Podcast: 1.11.2026 LFC

Brother Copeland: “The Big Fix” Eph. 1:16-23 / Lk 4:18

Ps. 57:2 My heart if “fixed”, we must make quality decisions in every area of our lives

Isa. 54 Search your life, little things, God’s instructions for your body, soul and spirit.

The name of Jesus fixes it, Exalt the name, Phil. 2:9

Fix: To make stable, the universe is governed by “fixed” laws God created.

Sept. a big change!

Have your heart fixed, fastened, not fluctuating on Him!

First of 2025 seemed like no end to the violence in USA,

God said remember, Abraham, Isaac and Jacob and George Washington, Gen. 17.

Mt. 5:9 Blessed are the peacemakers (a military exercise) not peace keepers.

Enforce the pushing back of darkness and establishing the light.

Dr. Rodney Howard Browne:

Year of establishment, what He began He now establishes.

I Thess. 3:2, I Pet. 5:10, Deut. 28:1 (Set fast, turn resolutely)

Only the consecrated life will stand, no room for shallow Christianity any longer.

Divine order/Divine Fulfillment/Divine Alignment/Divine Manifestation

Divine: Proceeding from God

Others:

“Next 3 years, not a season of lack, joy, victory, freedom and abundance, stopping the march of the devil, a revival of the glory of God, a shout of the release of the power.”

“I stand by my belief that we are the generation to see all things come to pass, not with striving or fear but with faith, anchored and fully persuaded that God is faithful to perform what He promised!”

Pastor Nancy Dufresne: Eph. 3:20 the Ceiling to this is how we respond to the power, by yielding magnifying, declare it giving it permission to work in and thru us. Moving with Him.

Isa. 48:17 Teaches up to profit, climb, excel, rise above, God gives it, you possess it!

For you to take ground, your thinking has to change, a renewed mind to the Word.

Your mouth must connect to your spirit, only His Word in our mouths qualifies us for His Help.

There will be opposition to your faith, living out of your emotions is a hard life, renewing our minds is the easy life! The devil wants your sight more than anything,

what you look at can take your faith from you! Look at Him, His Word only!

Faith is a discipline. If we don’t take ground the church can’t, you practice on your personal life and you bring it to church!

Plant the seed of the Word in your heart, water it, cultivate it and harvest it! I Cor. 3:6-9
