

Pastor Jack Myers Prophecy - AM Service 10.22.2023

That's right, go ahead. Jesus, Jesus.

And even in the last two months, three months, toward the end of the year shall increase in the presence of God. Not only in your personal life, but in My Church, says the Spirit of God. And you shall even see, even though the shaking increases even into next year, even into the next eight months, the increase of the shaking, I will have My Way, says the Spirit of the Living God.

And I will do what I planned to do even before the millenniums, the foundation of the universe in which I've created. So do not be concerned with what you see. Do NOT go by what you see.

And you know you have faith on the inside of you. Go by faith, by faith, by faith. But it'll take you from faith to faith to faith to greater faith, from glory to glory to even greater glory. And oh, I'm going to move so powerfully upon my Earth.

It is going to shake not only the nations of the world, it will shake the governments and it will shake each and every individual. And, oh yeah, Oh yeah, It'll be glorious. It'll be victorious, for I'm coming back for a glorious church without spot, wrinkle, or blemish. I'm coming back for my bride with nothing lacking, nothing broken, preserved from destruction. My angels have been assigned to keep you in all your ways, and they will catch you if you stumble, says the spirit of God.

And if you actually fall into a trap, they'll be there to snatch you out of the trap before you fall into the trap, says the Spirit of the Living God. And so therefore don't be discouraged or downtrodden. No, my joy is being poured out in great measure. For the joy of the Lord is your strength, says the Spirit of the Living God.

And do not be concerned about finances. Do not be concerned about the lack in the world. My church will never lack, because I am the One who, creates.

I am El Shaddai. I am the one that's more than enough.

You will not lack for any good thing, says the Spirit of the Living God.

So be encouraged and be encouraged. Be strengthened and be strengthened. Let the weak say I am strong, in the Name. MY Name says the Spirit of the Living God. Don't be concerned, for this is the hour of habitation. This is the hour of habitation. The world will get wicked and wicked, as it was in the days of Noah, so shall it be when I send My Son to thee - to get thee.

Yes, it is short. I'm about to speak to Him, says the Spirit of the Living God. And He'll go and collect my own. And then it will be a few short years of the judgment of the earth. And then there'll be a new Millennium. A new hour. Just a few short hours away, says the Spirit of the Living God. Thank you, Jesus. Thank you, Jesus.

With long life I will satisfy you. Long life.

Healthy and wealthy.
