

Pastor Jack Myers Prophecy - Wednesday, 04.13.25 PM

I hear the Spirit of The Lord say, “do not be concerned with what you’re faced with right now.

It’s another opportunity for you to believe Me,” says the Spirit of Living God.

“So, cast your cares upon Me, I’m working it out for you,” says the Spirit of God.

It may not seem what you think it seems for I’m rearranging.

I’m bringing in the new and removing the old. Oh yeah!

So, stir yourself up in these things. Throw yourself up on the altar. Throw yourself and the things that concern you upon the altar and I’ll consume it with MY Holy Fire. And you shall see it’s a refiner’s fire.

And I will take something that is old, and I will make it new.

And so don’t be discouraged, don’t be discouraged in your well doing. Don’t be discouraged in your well doing.

Don’t be discouraged in your well doing. “Just keep doing well and you shall see My hand move upon – even upon your job, upon your business, upon your situation that you are believing ME for,” says the Spirit of God.

So, don’t be concerned about it. Don’t be worried about it.

I will bring those things to pass – that are in your heart.

Did I not place those things into your heart? Then I will bring them to pass.

Is not My Hand upon it? Did not my hand bring it towards your way?

So don’t be concerned about it. Just throw it off on Me. Just rest in Me. You’re going to see my hand move and great and mighty things are going to happen. Don’t be concerned about it. Don’t be worried about it.

“I got it! I got it, says the Lord. I got it! I got it! I got it! I got it! I got it! I got it for you. Great things for you!

Wonderful things for you! Oh yeah! Great things, wonderful things, oh yeah!”

“Just throw it off on Me, I’ll carry it for you,” says the Spirit of God.

I’ll carry it for you!

All your concerns, all your dreams, all your goals,
all your plans, and I’ll direct you,” says the Spirit of God.

Don’t be concerned. Just throw it up on me and just thank Me, thank Me, that’s all I want. Just thank Me, just thank Me. Keep thanking and keep thanking and it shall come to pass, and it shall come to pass.

”It won’t come to pass for a very long time, it’ll be a very short time because

My Right Hand is moving upon the earth, and you shall see My Glory.

You shall see My Provision.

You shall see that I will bring those things that I’ve spoken to thee many years ago to pass,” says the Spirit of God.

So don’t be concerned about it. Don’t be worried about it. No, no, no, no, no, no, no, no, no, no. Don’t, don’t, don’t, don’t, don’t be anxious. Don’t, don’t, don’t, don’t, don’t! No, no! Ha Ha ha ha ha ha.... I laugh at my enemies!

Ha ha ha ha ha.... I make My enemies My footstool. Ohh! Ohh! The only one that’s stupid is Satan. Praise God

Amen! That’s the only one. He’s the only one that is so stupid. He’s so stupid, so stupid!

He’s ignorant and he’s ignorant still.

Praise God! Hallelujah, hallelujah, I said, hallelujah! God’s got it, He’s got it, I said, God’s got it. God’s got it!

God’s got it! He’s got it, He’s got it, He’s got it! He’s got it! Hallelujah! He’s got it! God’s got it!

Say: God’s got it! Not mine, but His. God’s got it! Not mine, but His. God’s got it! Not mine, but His!

Now rejoice in the Lord. God’s got it! God’s got it! Hallelujah!
