To make disciples is to make disciple makers, this requires training and much mentorship!

We have observed in our years of pastoring that those who "plug" in to LCU/Missions/Serving/Soul-Winning have extensive and lasting growth in a short period of time, 12-24 months. After 25 years of ministry and observing "Discipleship" programs around the world, what God has asked us to do produces the fastest, strongest and most lasting growth in Christians, as teaching them to be disciple makers rather than just disciples takes them into their future.
