

Pastor Jack Myers Prophecy 04.27.25 PM

Don't nullify the Words that have been spoken over you. Don't count them as little, count them as much. "Speak of them often, remind ME," says the Spirit of God. Remind ME and then I'll show you even more things. If I've spoken to you over and over and, over again, over the issue, that means you haven't been speaking it out. You haven't been declaring it. You haven't really believed it.

"Oh, some of you, it's been so long, it's been so long! Well, not as long as I've been around", says the Spirit of God. For I've been around for eternities' eternity," says the Spirit.

Do you not know that a day with Me is like a thousand years and a thousand years is like a day? So, therefore, give me this speech. Remember, there's power in agreement. There's power in agreement. If one can put a thousand to flight, two can put ten thousand to flight.

Start speaking to those things that have been spoken over you by the Spirit of the Living God, and then you shall see those things come to pass. "For your words are very powerful, they're very creative. As a matter of fact, there's life and death in the power of your tongue," says the Spirit of God. So, begin to speak over those things that have been spoken over you, and they shall come to pass. **YOU SHALL HAVE THEM.**

Do not doubt but believe! Do not doubt but believe! Do not doubt but believe! Do not doubt but believe!

"War the good warfare. Believe! Believe! Hold on to your belief system. Hold on to the Words, that have been spoken over you, says the Spirit of God, and you shall see them come to pass."

They shall come to pass! They shall come to pass! They shall come to pass! They shall come to pass!

In the meantime, prepare yourself. Prepare for the reception. Prepare. Prepare.

DON'T LET IT GO! It's right at the door. It's right at the door. It's right at the door. It's right at the door. I said, "It's right at the door. Inside the door. It's right at the door. Don't let it go. Don't be discouraged. Don't look at what you see in the natural. No, go by what your Spirit Man says. By your Spirit, see it in the realm of the Spirit, in the Spirit realm.

Hallelujah! Hallelujah! Hallelujah! Hallelujah!

Don't look **FOR** the outward. Don't look **AT** the outward. Don't look **AT** the outward. Oh, that can be deceptive! Looking at the outward can be deceptive. No, look at the inward. Look to the inward – to your knower.

Sometimes, it takes time. For I have to work with humanity. Oh, humanity, My precious creation. I have to work with others that you're involved with. I have to work with them. Yeah, I have to rearrange situations, move things. My angels are on assignment. So don't be discouraged but be encouraged. Don't be downtrodden, be uplifted.

What do you have? No – life, life, life, life, speak **LIFE** to it.

Speak life to your body! Speak life to your marriage! Speak life to your finances! Speak life! Don't speak doubt. Don't speak unbelief. Oh, it's right around the corner, right at the door, it's right around the corner.

Then suddenly, suddenly, the thing changes. Suddenly, the circumstances change! Suddenly, your finances change! Suddenly, suddenly, suddenly, suddenly!

You're like, oh, wow, this is wonderful! It came to pass! It came to pass! It came to pass at last! It came to pass.

Just a few more weeks. Just a few more weeks and it shall come to pass!
Just a few more weeks. It shall come! It shall come! Amen!
