Pastor, impartment for their ministry, healing miracles, another phase

Ah, Oh God! Oh, God! The miracles, Oh God The-Glory in this place.

Oh God, Oh God, The Glory, Oh God (Lord)! Oh, yes Lord, Oh, yes Lord!
You are bringing back the Glory. The Glory, The Glory of God in this state.

It's time, it's time for power and Your Glory to manifest
in this state of Florida, In this Place, in the trenches.

The out-of-state ministers - I heard North Carolina,
Impartations for you The Glory. Oh, my God!

To Pastor Nancy:

Pastor-more doors, more doors, visitation for this state of Florida,
for you Pastor, there are more doors, churches. Because of the Revival.

Oh, God! The Nation, and in Tampa, from the state of California
all throughout the United States. It's time, it's time for those that
flow in the Word and Spirit churches.

The church, the church is praying for revival, God is hearing
their prayers, and God will pour out His Spirit,
pour out His Spirit again and, this is the time.

Pastor Nancy was led by The Spirit to this place to begin the outpouring,
to begin the flow because it's time for the flow, it's time for the
outpouring of His Glory, of His Presence.

Pastor, it's time for the miracles, the out-flow
of the miracles of God! It's time, Church!
