

Pastor Jack Myers Prophecy – PM Service 04.07.2024

In these last days, so shall My Presence be intensified to all those who desire it. Not only in My church services but also in private, individual time spent with Me, so shall my presence increase upon thee and in My church.

And I shall bring to pass that which MY prophets have spoken, not the prophets that are false, not the prophets that are the deceivers, but MY prophets. The words I have spoken in the last 2000 years through the TRUE prophets. MY prophets who have MY heart, not their own agendas, not their own plans, not their own fame. The ones that I have truly spoken through that have not added to My words or taken from My words but have said exactly what I wanted them to say.

Those words, they ring in My ears because I spoke them. Those words ring in the Earth's atmosphere. Those words shall come to pass, and you shall see it. For this is the generation that shall see great signs, great wonders.

Even as it was in the early days of the Church, so it shall be greater in these last days that I have preordained, that I have spoken. And, yes, even those that have a desire to be used of Me, for Me to flow through them. Even if you're imperfect, I shall do great and mighty exploits through you. For you are My sons and you are My daughters. And, even in the days to come and even the weeks to come, I shall bring to pass the dreams and the visions that you have seen. Not only for your own life but also for your family and your children and your children's children.

You shall see these things come to pass. The desires that I've put into your heart. The desires for My hand to move upon your finances, move upon your marriages, move upon your families that don't know Me. Oh, you shall see My hand move and they shall come to know Me, they shall come to know Me, they shall come to know Me.

For now is the time, says the Spirit of God. Now is the season, says the Spirit of God. I WILL loose My Spirit upon the whole earth, even in a greater measure, and you shall flow in these things, says the Spirit of God.

So don't be discouraged by what's happening in the world. For these things in the world are gonna continue on until the end and it shall come to pass, even in those days when I tell My Son to go and get you. So, look up your redemption draws nigh, look up and be ready. Trim your wicks, keep your oil lamps full, and tell others about Me.

For they don't even know what's happening, they don't know My signs. They don't know My wonders, but you know My signs, you know My wonders, says the Spirit of the living God. And you shall see these things come to pass.

It will come to pass at last. FOR I AM A JUST GOD! All those that have done wrong and all those that are justifying their actions. I AM A JUST JUDGE, and they shall be judged according to what they have sown. For they shall reap what they have sown, and you'll even see it. But pray for them, pray for them, pray for them. For them too, My Son died. Pray for them. Pray for them, pray for their salvation, pray for their deliverance.

I did not create hell for humanity, I created hell for the old slew foot, the old one, the old serpent and his imps. I created hell for Satan and his demons not for humanity. So, PRAY FOR THEM. Pray for them, in your night watches. Pray for them, in your day watches. Pray for them, in your private time.

Oh, it shall be glorious, for you shall be VICTORIOUS. Even now, I release a fresh anointing. Even now, I release a fresh wind. Even now, I release a new wave. A wave of My glory and it shall sweep, not only in the United States, but it shall also sweep in Europe, it shall also sweep in Asia, it shall also sweep in Saudi Arabia, it shall also sweep,

IT WILL SWEEP AROUND THE WORLD!

And that which the enemy has tried to kill, steal, and destroy – I AM turning it around. For My Glory shall be poured out upon all nations and all nations shall come and they shall see My Glory and they will come into the Kingdom of God. Multitudes, upon multitudes, upon multitudes shall come into My Kingdom.

For I've chosen each and every one of you here tonight to do exploits in the world. So, talk to your neighbors, talk to your friends, talk to your coworkers. Tell them about Me. Tell them the goodness, MY goodness, that is upon thee.

Go and tell them. Go and tell them. Make sure that you're at the right place at the right time with the right people. Make sure, make sure, make sure, make sure! Know that you know that you know, says the Spirit the Living God.
