

Pastor Jack Myers Prophecy – AM Service 03.09.25

Surrender everything! We are going to begin to enter into a time of absolute creative miracles. You will actually see arms grow out in the services. A person will come into this place and come into places with no legs, and you'll see legs grow out, you'll see eyes pop in, you'll see ears grow back, you'll see noses that have been wounded in war, totally back, restored.

The Days of Visitation have begun, and God is calling unto his own. If you seek for me with your whole heart, you'll find Me. If you search for me with all your heart, you'll find Me. We lay down everything. We lay down our lives and take up your cross. This is where it starts. Jesus, touch this place with your presence.

Fill this room with your glory or your presence. As David saw you in the sanctuary, to see thy power and thy glory. There's something deep that is crying out to the deep on the inside of us. Let the fountain of living water erupt on the inside of us. We lay down everything. We lay down our pride. We lay down everything, everything God. You can have it all, totally, everything. I'm feeling the anointing.

By June of this year, you will begin to hear reports of revival breaking out. Not just in colleges but in churches and God will bring to the forefront those that will preach the gospel and will not compromise the gifts of the Spirit. For the time is coming and now it is the days of the Great Awakening and the revival that has been promised has yet begun.

For the misting has begun upon the earth and it will turn to a drizzle, and it will turn to rain, and it will turn into a flood, and it'll be a deluge of the outpouring of the Spirit of God. Not only in the United States of America, but in Europe and in China and then in the Arab nations.

Oh, "it's My turn, says God. It's My turn, says the Lord. It's My turn to show up and show out. It's My turn. Oh, the pages have turned, the chapter is a new chapter. It's My turn, says the Lord. It's My turn. It is My turn for blessing upon your life. It is My turn bringing you out of Egypt into the promised land of milk and honey. It's My turn for My people. For My people," says the Spirit of the Living God.

For I'm raising up a remnant within the remnant that will run to and fro. They will run with Me to and fro as My eyes go to and fro throughout the whole earth. Oh yeah, oh yeah, oh yeah, oh yeah! Shut it down, oh yeah. The dreams, the visions, the things that I've shown you in the night watches, they shall come to pass, they shall come to pass, and you shall not lack for any good thing. For you are My children and I promise, and I've made the promise, and I keep My promise. The gates of hell will not prevail against you. They will not prevail, says the Spirit of God.

Oh, God is greater. The Lord is greater. He is greater than anything. His name is above every other name ever named on this earth, under the earth, above the earth. Oh, yeah, you'll see, watch and see. Mark it down, in the next, in the next 90 days, in the next, in the next quarter of the run in the race, you shall see, you shall see with your very own eyes. You will see the reward of the wicked and, oh, the reward of the righteous. What a distinction it shall be.

And now, yeah, oh yeah, things will become lighter. Things will not be as hard as it's been. Things in the struggle for My yoke is easy, and My burden is light, says the Spirit of God. That which is really hard shall become lighter," says the Spirit of God. So, enter into the rest, enter into these things, enter into these things, enter into the things that God has for you. Hear His voice. Hear His voice. Hear His voice. Listen, hear His voice.

For the deep cries out to the deep on the inside of you. Search for the deep on the inside of you. Search for that voice, it's on the inside of you. It's on the inside of you. The deep, in the deep is where the voice is at and that's on the inside of you. That means you have to remove the surface things. You have to remove the worldly things. You have to remove the obstacles; you have to remove the distraction. The deep that cries out to the deep is on the inside of you. That's where the voice is, it's in you.

“You cannot say that you can't hear my voice, says the Spirit God, because it's on the inside of you. You gotta go deep,” says the Spirit of God.

Don't “wallow” in the pig pen any longer. I'm taking you out of it, come out of it. It's a new day, it's a new season, its new hour. Just surrender. Just surrender. Just surrender. Just surrender. Just surrender.

Declaration for the Body of Life Family Church

Satan, you leave God's sheep alone. I bind every demonic attack of sickness to leave this body. I am the Under Shepherd of the Great Shepherd and command you, in Jesus' name, to desist your assignments against the sheep of God. I plead the blood of Jesus over every Life Family Church member **NOW**,

...IN JESUS' NAME!

You foul demonic entities; you desist your assignments in this sheepfold.

We command you in the name of Jesus to desist your assignment and do not touch anymore in this sheepfold. You have no right to be here. There is nothing in this sheepfold that you can lay claim hold to.

The Blood of Jesus is against you. In the name of Jesus, you stop your assignment of stealing, killing, and destroying. You stop attacking their finances and their bodies and their relationships and their marriages and their children's children.

We declare, by the Blood of Jesus, you are trespassing on Holy Ground.

GET OFF IN JESUS NAME!

We declare this by the name of Jesus and everyone who agrees with that, say Amen!
