

Pastor Jack Myers Prophecy 7.5.26 AM

It's real, I said it's real. It's the Holy Ghost, and in these last days it shall increase.

There will be and increase in the third quarter of the race say's the Spirit of the Living God.

There'll be an increase, in the area of finances! There'll be an increase in signs and wonders!

There'll be an increase of doors opening for you!

Things that were closed they shall be unshut, they shall be opened, opened wide and you'll enter in.

Oh, it will be a great land, it'll be a wonderful land,

it'll be a land of milk and honey says the Spirit of the Living God.

Oh yeah, press in. Press in, in your private time, press in, in the church time. Press in during the day.

Press in and you shall see my hand move upon thee.

Great and mighty things will come. Those things that you've desired. Those things that you've wanted to see, it shall happen, says the Spirit of the Living God., and new things will happen, new things will happen, and you will say why how did that happen?

My hand moved upon your life, My hand moved upon your finances,
My hand moved upon your family, says the Spirit of God.

So be encouraged don't be discouraged, it's going to get better, better, better, better, better, better, better, better, better, brighter, brighter, brighter, brighter, brighter, brighter, brighter, brighter, better, better, better, brighter, brighter, brighter into the new day, into the new day. Says the Spirit of the Living God.

Stir it up, stir up that gift, stir it up, stir it up... Get drunk, and you'll be drunk, you'll be drunk in the morning, drunk in the afternoon, drunk while you sleep... Oh yeah, that's not so bad.

They'll say you're crazy. Well, they said the same thing about me two thousand years ago.

So, you're in good company.

It'll bubble, it'll bubble, it'll bubble up, it'll bubble into everlasting. It's on the inside, on the inside, on the inside, stir it up on the inside, on the inside. Hallelujah

They'll say you're crazy! So! The world's already crazy. They've gone off the deep end.

Pastor Marie

If you'll stir it up, I'll lift you up, if you'll stir it up, I'll open it up

If you'll stir it up, I will make it up, so stir it up!
