

## Pastor Jack Myers Prophecy - PM Service 10.22.2023

My, the Lord is in this house! Multitudes, multitudes shall come. The water freely flows from this place and the light so shines. To you Father, all glory, all power to You!

Hallelujah! Oh my! Yeah, and these things shall increase even in your own personal life, even in your own personal prayer time. Oh yeah, an increase of hearing the voice of God and giving words to other people to encourage them. Edification, exaltation, and it will bring comfort. Yeah, and you will be used. The river will flow through you and in each and every one of you and the fire will be transferred to others.

Oh yeah, and you'll see them set free and delivered and healed, says the Spirit of the Living God. So, get used to the NEW of what I'm going to do inside of you and through you. Get used to it. For its My norm. It's My super on your natural, says the Spirit of the Living God. It shall increase upon your life. It shall increase.

When you say, what shall increase? Miracles, signs, wonders, healings, words of knowledge, words of wisdom, discerning of spirits, gifts of healings, yeah, the gift of faith. The working of miracles, yeah. In tongues, interpretation of tongues, and even prophecy.

It would even be right on. It'll be right on the mark. It'll be encouraging, uplifting. It'll bring encouragement, edification, exhortation, and comfort even to your family members. My hand should come upon you, and I will flow through you as a river. I will take My Words, I will take Wy Words and put them in your mouth, and you'll speak them forth. And it'll bring forth the change in people's lives and your family and your friends, even those, even those in the street, even those that you'll see in the convenience store. My hand shall come upon you. Yes, and the anointing shall come upon you, and it will rise big on the inside of you and, and, Hallelujah, Hallelujah, Hallelujah, Hallelujah!

Say this.... Lord, you can use me. Let your fire burn deep within me. Father, let your river flow out of me to others. In Jesus name! Hallelujah! Hallelujah!

You've been asking God to use you and so, so it is. Even now, He's not "gonna", He's "going to". I said - He's not "gonna", He's "going to". "Gonna" gives you hints He'll use you in the future. But no, it's like now, He wants to use you now, He wants to flow through you now, now, now. Now is the appointed season. Now is the appointed hour. Not gonna, going to.

Hmm. Oh yeah! Come on, lift your hands one more time to the Lord of Lords and King of Kings. Father, we honor You, we bless You. Holy Spirit, we thank You, hallelujah, thank You, thank You so much, thank You; a million thanks. Thank You so much, thank You so much, thank You so much. Thank You, thank You, thank You, thank You, thank You! We're grateful, we're grateful, we're grateful, we're grateful.

We want it all, we want it all, Lord, we want it all. We don't want it just for ourselves, Father. We want it for others, for others to experience your presence. To experience Your glory. Father, we thank You. We thank You. We thank You, thank You, thank You, thank You, thank You, thank You, thank You, thank You. We give You praise. We give You all the glory.

We're hungry for spiritual endowments. Lord, we're hungry for the supernatural. We're all hungry. We're all hungry. All of us, all of us agree that You can have Your way in this place and in our lives. You can have Your way on this property. You can have Your way. You can have Your way in our family. You can have Your way. Not our will, but Your Will. Not our way but, Your way. Let Your will be done. Let it be done. Let it be done. Let it be done in this place. In our lives personally, Lord, personally.

Lord, as You have touched us, we'll go in your Name, to touch others in the Nations of the World. Thank You for it, thank You for a powerful, peaceful, glorious week. A peaceful week like we've never had before, ever!

And we honor You. We bless You. We praise You. In Jesus' mighty name and God's wonderful people said Amen and Amen!
