

Prophecy - Pastor Jack Myers - 02.20.23 Monday night, (First night of Revival)

I have prepared the table. The table has been under preparation since the day of the beginning of 2,000 years ago, says the Spirit of God. When I sent My Spirit to indwell the hearts of men, and in the last 2,000 years I've been preparing for this day and this hour. That My Spirit shall go around the world, for My earth shall be full of My glory, says the Spirit of God. So take and get all that you need to get. Get filled up so that you can go pour yourself out on a hurting and dying world because not only do I hear the cries of the people but I also hear the cries of the unsaved.

So don't take these things lightly. Press in. If you will draw close to Me, says the Spirit of God, I WILL draw close to you. It's the hungry and the thirsty that My eyes are running throughout the entire earth so that I can show myself very strong on those that are seeking Me. And if you seek Me with all of your heart, YOU WILL FIND ME, says the Spirit of the living God.

So throughout your daily routine, let the things of the world go and press into Me, and I will show you mighty things even to come. And you will be a part of it and I'll even use you in it, says the Spirit of the living God. So prepare ye your hearts, prepare ye your hearts, as I prepare the way and the path that you are to walk. Prepare your hearts. Prepare your hearts. Prepare ye your hearts, for I have made the path for you to walk, says the Spirit of the living God.

Oh, great will be the rejoicing, for the whole earth will rejoice. And it will see My coming, for I am coming soon. I'm coming for My own, I'm coming for the harvest that I've so longed for, for multitudes and millenniums, says the Spirit of God. For now is the time and this is the hour of not only visitation but habitation, says the Spirit of the living God.

So press in, do not draw back, I do not take pleasure in those who draw back. But if you'll draw close, I will draw close. Stop thinking so hard. Stop analyzing so much. No, just enjoy - enjoy the journey. Enjoy My outpouring, enjoy the blessing, My hand of blessing upon each and every one of your lives. An increase shall take place in your life, physically, financially, emotionally, relationally.

Your relatives - I've heard the cry from your heart about your relatives - your sons, your daughters, that's the reason why I'm doing this, for the sons and the daughters returning to the hearts of the fathers and the mothers. So be encouraged, don't be discouraged. Be encouraged, don't be discouraged. Be strengthened within your inner man, for where I dwell, for my Kingdom dwells on the inside of you, says the Spirit of the living God.

And you shall see even the reward of the wicked. You shall see the rewards of the righteous. For there are more righteous than there will be wicked. For My harvest will be huge because I've had long patience on that which I call precious fruit - My fruit. My fruit, what My Son paid for 2,000 years ago, says the Spirit of the living God. So share, so share Me with others. They're tired, they're weary. They don't have the answers. I've given the answers to you, says the Spirit of God. You must share. You must.

So get filled up and then go pour out. Get filled up and get poured out. The hearts are breaking, They have no answers. I AM the answer. They'll receive it because of My Spirit being poured out. Don't you know that I pour rain upon the righteous and the unrighteous? Don't you know that the sun rises on the righteous and the unrighteous? So go and do what thou hast said, says the Spirit of God.

Continue to press into Me, even in your homes, in your cars, in your church and you'll see amazing, You'll be amazed. You'll be amazed. You'll be amazed. You'll be amazed at My power. You'll be amazed at the things I have planned in this final harvest hour, says the Spirit of the living God. Oh Hallelujah. Hallelujah. Hallelujah.
