2026 is the Big Fix for you to apply these things, these spiritual things, these Word things, these things like that. If these things are going to fix, then you have got to apply the Word. You got to move toward, progressively, moving forward into the things that God has given you and He's showing you in his Word.

There'll be a hook to try to pull you into the world and pull you into social media and more and more and more and more to satisfy. But if you get hooked by God and come into His presence and press into Him even when you don't feel like it. I mean when you don't feel like to pray, you pray. When the pressure is don't pray, you just pray. When that pressure is not to come to church, you go to church.

"These things, these things, these things you long for, these things, these things that you're thirsty for, these things, these things that you're hungry for. It shall come to pass; it shall come to pass. I will bring it to pass," says the Spirit of God.

As you press in, I will show you great and mighty things to even come even more. You'll not be ignorant of the future. I'll show you the future. I'll show you these things and these places and the people that you should hang around and the people you should be with.

I'll take you out of the land of lack and I'll put you in the land of milk and honey. I'll take you to that Holy Place, that enlightened place, that wonderful place. The place that you've always longed for, the place that you've wanted to go to. I'm going to take you there and I'm going to bring things, good things for you, good things, good things, great things, wonderful things for you.

So don't be concerned about what's going on in the world, the world is going to wax worse, but My Kingdom shall increase. My light shall increase. The miracles shall increase. Signs and wonders shall increase. My provision will increase, increase, increase, increase, increase, increase, increase, increase! And "you shall have plenty, you shall not lack, you will have plenty, and you shall not lack," says the Spirit of the Living God.

"For I am the God of **ALL** plenty and you are my children and I am your Father and I have good things set for you," says the Spirit of God. So, trust, trust, just trust me, trust me, trust me, trust me. "I know what I'm doing," says the Spirit of God. I know exactly what I'm doing for your life. I'm leading you. I'm guiding you. Just recognize me, that's all I just ask for recognition. If you just recognize me, if you just acknowledge me, I'll direct your paths. I'll direct you into the paths of righteousness. I'll direct you into the paths of plenty. I'll direct you into the paths of healing and deliverance.

And, yeah, oh yeah, the light, the light will get brighter, the brighter. The light that's on the inside of you will be brighter and brighter and brighter and brighter to the new day, brighter and brighter. It will be blinding in some places. "It'll be so blinding because the light that is on the inside of you will shine forth into the darkness and the darkness will not comprehend it," says the Spirit of God. For it is My light on the inside of you and in that light, there is provision, in that light there's healing, and in that light, there is deliverance, in that light are great and wonderful and mighty things. "So, lift up your head high for your redemption draws nigh," says the Spirit of the Living God. Can you say Amen to that! Hallelujah! Hallelujah!

Oh, great expectancy, great expectancy, great brings miracles, great expectancy. Expectancy is the breeding ground for miracles, great miracles, great things are gonna happen, good things, good things, wonderful things. "Just press in, be the remnant within the remnant," says the Spirit of God and "I'll show you these things." You'll see these things. You'll see where My hand moved; and My voice, you will hear My voice clearer and clearer and clearer, clearer and clearer.

Yeah, and even in the little things like when you lose your keys, I'll tell you where your keys are at, where you placed that \$100 bill. I'll show you where it's at. It's in your jean pocket in the wash. I'll show you, I'll show you.

Don't be discouraged about your family. I've heard the incense of your prayers pertaining to your family. And know this, I'm working on them, I'm working on their hearts, and I'm positioning them. Because you have stood in the gap, you have stood in the gap for your family, and your family will serve Me.

Just like Cornelius when I sent the Angel and it appeared to them. And, then he sent them into Joppa and brought Peter and Peter came and he spoke to the entire family and Cornelius' whole household was saved. "I shall do that for you, I shall do that for you," says the Spirit of God. I will do that for you because you've stood in the gap. My angels are working on their hearts right now. My angels are protecting them right now.

"Because of the incense," Oh my God, I feel it, "because of the incense of your prayers, because of the incense of your prayers that have come up before me as a sweet-smelling sacrifice, I shall do what you've asked," says the Spirit of God; "and you shall see your family do a complete turnaround," says the Spirit of God. "For they will serve me," says the Spirit of the Living God.

Hallelujah! I said, Hallelujah! Glory to God! Glory to God! "Just be encouraged, know that I'm working, know that I'm working" says the Spirit of God. "I'm working, I'm working on the heart. Do I not turn the hearts of kings, then I can turn the hearts of your family so don't be discouraged about that. "Soon and very soon, soon and very soon, soon and very soon," says the Spirit of God, "you will see the turn around." Hallelujah, thank you Jesus!
