

The Tithe.... As A Flow of Honor

PRAYER OF HONOR: Father I wouldn't be able to give this to you if it wasn't for you!

It is You who gives me the power to obtain wealth and not by my own hand has this come.

For I can do nothing without you!

Everything I have belongs to you, and everything I am, is found in you!

You are the promise!

When I honor you by placing back into your hand what already belongs to you, you graciously and lovingly multiple it back to me, and I will forever honor you with what belongs to you! my tithe! The firstfruits of my labor!

Be Glorified with my tithe - I Honor You Father.

Amen
