

SHE LAUGHS!

*I Say...*

*She laughs,*

*At the future, with nothing to fear,*

*She believes that I am always near.*

*She laughs at the cold,*

*for her family is clothed,*

*With My Word and My Spirit,*

*for all who come near it!*

*She laughs at the night,*

*She knows My light,*

*has made all things right!*

*She laughs at passing time,*

*she knows eternity waits,*

*at the end of that line!*

*She laughs at doubt; she knows*

*even mustard seed faith counts!*

*She laughs, and lasts,*

*for all eternity!*

*She lives in, for and through Me!*

*I gave her the last laugh!*

*She laughs with Me!*
