

I am a...Christian...

Not...

Not believed... believing

Heard... hearing

Filled... be being filled

Prayed... praying always

Praised... praising continually

Gave... giving

Sought... seeking

Thanked... thanking

Revived... revival

A constant craving, a perpetual dependence

A continual forward motion

A breathing, thinking, talking, walking lifestyle

I am His and He is mine, I am dead, He is alive.

There has been a merger and acquisition.

I do not practice Christianity

I am a Christian!
