

High school graduates will have watched 20,000 hours of TV so far in their lifetime.

With this message imparted to them:

Authority is evil, rebellion a virtue, sin is glamorous, all sexual sin including homosexuality is normal and even noble, murder, immorality and drug use are daily events.

The results: Sin is not sinful, don't trust authority, rebellion is romantic.

10 Million Children have venereal disease with 5 thousand new cases a day.

1 in 5 teenagers use drugs daily; 1 million prostitutes are under the age of 16,  
millions of children visit psychiatric facilities each year looking for help.

Satan worshipping cults, TV shows, movies and school shootings are the result of a society that sanctions and glorifies rebellion along with those who claim Christianity participating in it or simply ignoring it!
