

Dr. Jack Myers/Life Family Church/ Sun. Pm service/6/27/2021

1. Spending alone time with Jesus, you have to do it. You need to spend time alone with Jesus. If you have to go into your bedroom, into your closet turn your light on put a stool in there and read your Bible, read and talk to Jesus, start to ask Him. "Lord thank you for an increase of the spirit of seeing and knowing" ask the Lord for that.
"Thank you for an increase of the spirit and of seeing and knowing."
2. Remind the Lord on a daily basis "I hear your voice and the voice of strangers I will not follow."
3. Ask for God's grace and mercy especially in the areas of your weakness.
4. Pray more in the Holy Spirit in tongues.
5. Sometimes just listen even if it's for 30 minutes and you say nothing, you tell the Lord "your servant is listening. your son is listening. your daughter is listening. speak to me, speak to me."
6. Ask the Lord to give you dreams heavenly dreams He will speak to you in your dreams
7. Be in church every time the doors are open
8. *Pray about going to Life Christian University even if it's at the audit level. So you can grow deeper in the word. If the Lord has spoken to you to fill a position in the church, do it! Do it! He's telling you to do it for a reason and don't be afraid to do whatever needs to be done whatever help is needed.*

I can stand in the office of a profit, but in the next moment take my jacket off and be a catcher, I don't have a problem doing that, I can stand on the platform and be an evangelist and speak to 10,000 people, but the day before, I can go around with a trash bag and pick up trash in the field, and then next Sunday if the toilet is clogged and no one has unclogged it I can grab a plunger and go and do it. If there's a roof leak I don't have a problem putting my jeans and shoes on, climbing on the roof and putting silicone on the roof. I don't have a problem doing that. The greatest among you will be your servant, if you serve others and you serve God and serve the church God will promote you. Humble yourself before the Lord and He will exalt you.

Humility is an action. There's never a place called there," if I could just go there" the moment you get there, there's another place called there and the moment you get there, there's another place called there, so there's no such thing as a place called there! Not only pray for yourself, but pray for your brother and sister in the Lord pray for the church. Sometimes our prayers seem so directed towards us instead of others, start praying for others and your prayers will be answered, ask the Lord to change your thinking "how do you do that Lord" "I want heavens thinking, give me heavens thinking." I want to think the way Jesus thought. I don't want to think the way the world thinks I want to think the way Jesus thinks, ask the Lord, "I want to see what You see not the way the world sees" I'm giving you mysteries here secrets to mysteries.

You have an encounter with God and others will have an encounter through you with God, if you have an encounter with God others will have an encounter with God through you. If you look through the last 2000 years where God used great men and women of God they've always had an encounter and then they were able to go and minister to others. The encounters you have with God in your personal prayer life and personal prayer time, it will show up in ministry time later when God is filling you with joy in your own house by yourself in your own home when you fall under the power of God in your own house when you lay prostrate on the floor weeping uncontrollably. Hello, and you're thinking what is happening to me, what is God doing, it gets to a point where it is no longer just for you, it will be for others.

Never touch the glory of God never touch the girls or guys and never touch the gold and God will take you far. Your character is correlated with the anointing and the anointing will never carry you to were your integrity can't keep you. There's some young people very young millennial age people not that God can't use millennial age people but they haven't paid the price of life and now they are becoming a little bit super starish and if you don't have the character or integrity or the charge from heaven to carry the weight when others are looking at you or putting you on a pedestal you will fall. Be mentored, learn, be accountable, develop your character and God will take you where He wants you to be!

Press in to Him and His plan with everything in you! Amen...
