

Pastor Jack Myers Prophecy 08.31.25 PM

What about 2026? 2026 will be the BIG FIX! 2026, you'll go deeper in the realms of the Spirit. There is a paradigm shift that will happen in 2026. 2026, the dawn of a new era!

The world will continue to go the way the world goes, but my church shall rise up in power. It will be a church without spot, wrinkle, or blemish. It will be a glorious church! And “behold, I will do a new thing in 2026 in My Church, and it will be tangible, and it will be manifested,” says the Spirit of the Living God.

2026 will not be like 2025. 2026 is the BIG FIX. I'll begin to fix everything that the enemy is broken. I'll begin to fix marriages. I'll begin to fix children. I'll begin to fix children's children. I'll begin to fix businesses. I'll begin to fix marriages. I'll begin to fix jobs. I'll begin to fix, because 2026 will be known as the BIG FIX!

So, don't be discouraged even when trials and tribulations come, even when situations come. Just be of good cheer for all that I AM is always near. I will never leave! I will never forsake! So, 2026, so be encouraged in 2026.

The increase of My Glory and the increase of My Presence, the increase of miracles, signs, and wonders shall continue to increase as wickedness increases. My Grace will increase even greater and there'll be greater miracles, greater signs, greater wonders. And "I'll move specifically in the area of answering your prayers, and the things that you so desire shall come to pass," says the Spirit of the Living God.

So don't be concerned of what you see on TV. A lot of it is lies, they're lying!

“There’s underlying current within their agenda, so don’t be concerned about that. Don’t be looking at that, look to Me,” says the Spirit of God, and “I will show you wonderful and great things to come.”

For I'm doing something in My Church. I'm molding and I'm shaping and I'm preparing as a Potter with the clay. And I'm preparing my vessels for an outpouring of My Spirit that will be unprecedented; and in 2026, there shall be an increase of it. An increase in your finances, an increase in your jobs and increase in your businesses and increase in increase. For the wealth transfer must take place, along with the harvest must take place, and you shall see what I'm about to do, great and mighty things!

And those that have entered into trickery, those that have entered into deception, those that have entered into lawlessness, they will be paid back for what they've done. For they have sown for many, many, many, many, many years and they're stored up for them the wrath that would be poured out. Not from Me, but from the enemy because it is the enemy that seeks to kill, steal, and destroy.

So don't be concerned when you see these things, "but understand this," says the Spirit of God, "you will have what you SAY in 2026. You will have what you SAY in 2026 so choose your words wisely," says the Spirit of God. "Because it will happen quickly," says the Spirit of God. Your words will create in 2026 because your words that create will cause the BIG FIX in your life. "Anything that's broken," says the Spirit of God, "your words will create the FIX!" "So, your words are very powerful, so choose your words wisely," says the Spirit of the Living God!
