

## **“The Big Fix in 2026”**

### **5786 Meaning (5780(2020) – 5790 (2030)the decade of Peh, the mouth!)**

5=Grace/favor/salvation

7=perfection/completion/spiritual fullness

8=new beginnings/redemption

**All done with the mouth! The final number is added/hi-lited for the present year.**

**6**=connection/man/physical world

The Hebrew pictograph for the number **6** is a vav. A vav looks like a tent peg, a nail or hook; it is a connector. There will be connecting through alliances, spiritual and natural, establishing and sealing alignments in the world and the church.

A vav is often used to stake a claim – this is a year to stake claims for the Kingdom of God – go through the gates He opens before you! We are still in the decade of Pey, which is a pictograph of the mouth. As we get closer to the end of this decade, *what* we speak is critical.

Our mouth is a gate – it opens or closes the gates of heaven or hell!

**(Rev. 13:15; John 6:63; Prov. 18:21; Matt. 12:36-37; James 3:5-10)**

The angels respond to the Word of God to perform it!

Year 5785 Grace sword life grace

Double grace, but a battle between the sword and life, which we have seen all of 2025.

Year 5786 Grace sword (crown) life **HOOK**.

### **1. 5786 - - GATES OPENING/GATES CLOSING**

He has been bringing many to remember the mighty works He has done, not just in our personal lives, but throughout history. My people will be re-marking the places where they saw Me as well able! Many are trapped in their perception of reality in their current situation, by the world's way of thinking, but I declare faith is rising.

In Strong's Concordance, 5786 means a film over the eyes; to blind.

There will be a spirit of deception loosed to blind many from seeing or hearing the truth.

**(2 Cor. 4:4)** Be encouraged in the midst –

God blinds the eyes of His enemies to protect His people as they accomplish His plans, and the bold preaching of His word opens the eyes of those blinded by the enemy's deceptions!

**(Gen. 19:11; 2 Kings 6:18). What will you Hook yourself to?**

**6** is the number of man. On the 6th day man was created and given authority to rule.

In 5786, fallen man's rule will become very apparent, but know this – it is beginning to end!

There will be a lot of shaking and transition until the time the Son of Man's rule is *fully* established!

Keep your eyes on Jesus!

The Church is rising in accordance with the five-fold model outlined in Ephesians 4:11-16.

The Lord wants us to see that the enemy will bring a *five-fold perversion* of that.

Again, we must be aware and discerning accurately, and bold in our witness

**and strategic in our declarations and actions!** The Holy Spirit will help us!

### **2. Changing of borders to bring a new order**

There will be a changing of borders to bring a new order, in nations and the Church.

“The enemy thinks changing borders will overturn My plans, but I am the One who created all lands. Do not be dismayed when you see nations at war, for there are boundaries I have set from time before; My Hand is not short; their plans I will abort. You feel the shaking and see the quaking; have faith in Me, and My re-making. All, in time, will be restored to what I have ordained before.”

**(Is. 9:6-7; Dt. 32:8; Acts 17:26; Heb. 12:27)**

“The enemy has trafficked and merchandized what I have placed in My people’s lives, and their gifts and talents have been compromised. Many have moved from the place of My choosing, My will refusing, and turned to illusion that brought them to confusion. The cup of trembling that has caused My people to turn back and shrink, shall now be given to the thieves to drink.”

*"Thus says your Lord, The LORD and your God, [Who] pleads the cause of His people: "See, I have taken out of your hand The cup of trembling, The dregs of the cup of My fury; You shall no longer drink it. But I will put it into the hand of those who afflict you, Who have said to you, 'Lie down, that we may walk over you.' And you have laid your body like the ground, And as the street, for those who walk over." (Isa 51:22-23 NKJV)*

“No more shall you live under oppression, for I declare you are My treasured possession. The price of your deliverance has been paid, by My blood it has been made. My righteousness upon you has been laid.”

*"I will greatly rejoice in the LORD, my soul shall be joyful in my God; for he hath clothed me with the garments of salvation, he hath covered me with the robe of righteousness, as a bridegroom decketh [himself] with ornaments, and as a bride adorneth [herself] with her jewels. For as the earth bringeth forth her bud, and as the garden causeth the things that are sown in it to spring forth; so the Lord GOD will cause righteousness and praise to spring forth before all the nations." (Isa 61:10-11 KJV)*

This will also be a year of changing of borders for the corporate church as the Lord continues to deconstruct what man has built and restructures His church into His designated order. Acts!

### **3. Kingdoms rising and falling through godly and ungodly connections and alliances**

This is a year of kingdoms rising and falling! We are transitioning out of the kingdom of “man” - man’s solutions, humanistic efforts, counterfeits led by the kingdom of darkness and the antichrist spirit. As the devil knows his time is short, he will push harder against God’s Kingdom. We will see an increase of ungodly connections and alliances. At the same time, we are transitioning into the Kingdom of the Son of Man. The Church will rise, and the glory of God will manifest in greater ways as He orchestrates connections and alliances for strategic Kingdom outcomes.

“I am causing people to remember who they are in Me; I will re-member **(The I am scriptures)** My Body as each supplies their part. There will be new connections in accordance with My election!”

We will see an increase of miracles, signs and wonders - some from God, some from false prophets and false apostles. **(Matt. 24:24; 2 Cor. 11:13-14; Rev. 2:2)** Great discernment is needed! If we keep our focus on the King and ask for wisdom and understanding, the Holy Spirit will reveal the mind of Christ and lead us to victory.

“Even as nations are rising against nations, the glory of My Kingdom is rising – do you have eyes to see? You cannot receive a Kingdom which cannot be shaken if you do not *believe!* Do you believe I am working in the midst? I am looking for faith-filled and faithful people. True faith is not merely believing; the demons believe and tremble. I am looking for those who *trust* Me, who speak and act in accordance with that trust. If you believe, you will do. My eyes are always searching for those whose hearts are perfect towards Me, to manifest My goodness and power. **(2 Chron. 16:9)**. I am opening gates of influence for those whose hearts and wills are aligned to Mine, and I will move mightily for and through them!”

Many will be raised up, walking in their true identity - the identity gained through willingness to lose the old. These are those who have entered into covenant with God, embraced the Lordship of Christ and stayed true in their callings, have been willing to lay aside lesser things, have been (and continue to be) purified and are walking in divine authority through the One who has been given *all* authority **(Matt. 28:18)**, who are diffusing the fragrance of Christ wherever they go.

*"Now thanks [be] to God who always leads us in triumph in Christ, and through us diffuses the fragrance of His knowledge in every place." (2Co 2:14 NKJV)*

When you close the gate to the flesh and/or soul being in control and walk in true sonship, gates open to advance the Kingdom, bringing divine connections and provision to carry to fruition what He has called you to do.

#### **4. Time Gates: Kairos gates/doors The Gate Beautiful (a time gate) re-marked**

The first apostolic miracle was at the Gate Beautiful **(Acts 3:4-10)**, where a man lame from his mother's womb was healed. The root of the word “Beautiful” in the original language means belonging to the right hour or season; “high time.” **This is a time marker - a time gate**; a moment in time when everything changes. Some examples: when you are born again; receive healing, deliverance, deep revelation, or a Rhema word; being baptized with the Holy Spirit; in revelatory encounters in the Holy Spirit. In these time gates we are seeing something from the eternal realm being brought into the earth! God is continually leading us into a place of comprehending eternity and expanding our spiritual capacity to live from that place! Re-mark those places with now faith; the gate will open so you can redeem the time!

**Invest your time properly this year in Kingdom business, increase your sowing and serving!  
Don't “Rob Peter to pay Paul”...**

#### **5. A year of great harvest**

We are in the time of restoration of all things - alignment to God's Kingdom order. He desires to be seen and souls to be saved. What happened after the miracle at the Gate Beautiful? As the bystanders were in wonder and amazement at the miracle, Peter preached to the crowd that the miracle came through faith in the Name of Jesus – that Jesus is the Holy One, the Prince of Life, raised to life from the dead, that it was necessary to repent and be converted, to receive Jesus Christ – and another 5,000 were added to the church! This is a year where we will see remarkable miracles through bold preaching of faith in Jesus Christ that will bring about a remarkable harvest of souls.

#### **6. Greater revelation of the Gate of Heaven and the Gate of Hell**

This year many will receive greater revelation about the gate of heaven and walk in a new level of authority. In **Genesis 28:11-18**, Jacob dreamt and saw a ladder on earth reaching heaven, with angels ascending and descending on it. He said "How awesome is this place! This is none other than the house of God, and this is the gate of heaven!" Jesus also talked about this gate to Nathaniel, in **John 1:51**, "Most assuredly, I say to you, hereafter you shall see heaven open, and the angels of God ascending and descending upon the Son of Man."

The Word of God being released brings the angels to ascend and descend from the earth to heaven, and heaven to earth, carrying out the decrees upon the authority of the Son of Man, who Himself is the Word of God! (**Jn. 1:1-5, 14; Rev. 19:11-16**)

*"Praise the LORD, you angels of his, you powerful warriors who carry out his decrees and obey his orders!" (Psa 103:20 NET Bible)*

As the Church lays hold of and walks in their authority, the Gates of Hell shall not prevail! It is closed in that moment for God's Kingdom to be advanced!

*"And Simon Peter answered and said, Thou art the Christ, the Son of the living God. And Jesus answered and said unto him, Blessed art thou, Simon Barjona: for flesh and blood hath not revealed [it] unto thee, but my Father which is in heaven. And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven."* (**Mat 16:16-19 KJV**)

## **6. 5786 Making Room for Kingdom Convergence – "Stretch to Connect"** **The joint fitly supplied....Eph. 4:16**

**Isaiah 54:2** "Enlarge the place of your tent and let them stretch out the curtains of your dwellings. Do not hold back; lengthen your cords and strengthen your pegs." **Keep your Word! Character!**

This verse speaks about *making room* for growth, blessing, and the unexpected. It ties directly into the tent imagery and the "peg". **Keep your commitments! Integrity!**

When setting up a tent, the **tent pegs** play a crucial role. They are driven into the ground to hold the structure in place, allowing the fabric to be **stretched out** and creating space within. Without the pegs, the tent cannot expand properly or remain stable. In life, this serves as a picture of what happens when we are called to **stretch and make room—for growth, for new opportunities, or for what God wants to establish in our lives**. Just as a tent needs firm pegs to secure its space, we need to anchor ourselves (in God) in order to expand, make room, and prepare for what is coming.

When God calls us to "make room," He also invites us into a posture of faith, where we see in the Spirit that God has already done the miracle. Once we see that evidence (faith) in the spirit, we prepare and make space. It can be seen as decluttering because we know we will be selling our house soon. It can be as simple as cleaning up and fixing your credit, as you prepare to put in an offer on your dream home. (**Clean out your life!**)

Make relevant plans(not general plans) to make room and stretch yourself.

### ***What does making room look like?***

It's all about clearing space in your *heart*, *mind*, and *schedule* to receive your miracle.

It's stretching and expanding your capacity to contain that miracle.

It's less about *activity* and more about intentionality. This means “doing” what God has instructed you to do. Don't be busy doing that which is futile.

It requires us to step away from the fleshly “grind” and create an open invitation for God to work in ways we can't foresee or fathom. **Declutter by removing distractions!**

## **7. Make room for the vav“and”**

Vav is the **sixth** letter of the Hebrew alphabet and carries the literal meaning of a **hook or tent peg**—something that joins, secures, or holds things together. It was used to **connect** things—like hooking curtains together in the tabernacle (**Exodus 26:32**).

**Vav** is more than just a letter—it represents connection. Grammatically, Vav often functions like the English word “**and**,” linking one thought to another. It's very first appearance in Scripture is in **Genesis 1:1**, within the word “*v'et*,” which means “and,” connecting **the heavens and the earth**.” Spiritually, Vav is seen as a symbol of connection, binding, and continuity.

It reflects how God links us to Himself—through His love, His Word, and His promises.

The *vav*—as a connector—invites us to **make room for the “and” in our lives**: the place where heaven meets earth, **the point where God's plans meet our reality, and where expansion begins.** I would term this as divine **kingdom convergence**.

Making room for the “and” is about stretching beyond the familiar, securing new territory, and being willing to **hold space for both what is of God and what is coming from God.**

## **8. Consecration and Obedience**

Every prophetic word has a divine instruction.

**Psalms 119** is a valuable instruction for the upcoming year.

In Psalm 119, the **6th** section focuses on the Hebrew letter Vav. In the Hebrew text, every line of these eight verses (**Psalms 119:41–48**) begins with a word that starts with the letter Vav. That means that each of these eight verses symbolizes a connection—a “hook” that joins us to God's promises.

If you read the eight verses, you notice something astonishing. The Psalmist experiences **freedom** not by casting off God's law, **but by walking in it.**

**Verse 41:** Asks for God's **mercy and salvation**—a personal connection.

**Verse 42:** Trust in God's word helps him **answer those who mock**—he's connected to God's defense.

**Verse 43:** Pleads not to lose God's truth—**holding on** to that lifeline.

**Verse 44:** Vows to **keep God's law forever**—an eternal connection.

**Verse 45:** Walking in **freedom** because he seeks God's guidance.

**Verse 46:** Boldness to speak of God's Word—even before kings—because he's **anchored** in truth.

**Verse 47-48:** **Loves and meditates on** God's commands—a heart bound to God.

The Psalmist asks for God's mercy and salvation, clings to His truth, and finds the courage to speak His Word boldly, even before kings. This tells us that **obedience is not a burden, but a pathway to liberty**; it anchors the soul in God's will and protects us from the snares of the enemy.

For the year 5786, delight in God's commands with uplifted hands,  
find freedom in obedience and consecration.

Vav is the small stroke that says "and."

It joins heaven to earth. In 5786 the Lord is joining what we prayed with what we see, what He spoke with what He is doing now. Some of these joins will happen in public.

Many will happen in quiet places. Expect endings with purpose.

Torches to pass from one steward to another.

The hooks of the Tabernacle were made of gold, reminding us that true connections are heavenly, not hurried. Let every connection in your life this year be gold.

If a doorway lacks heaven's peace and purity, it is not your hook.

We are still in the **Peh decade, the decade of the mouth**. What we say carries eternal weight.

In 5786, the Vav connects what we have been declaring in prayer to what begins to manifest on earth.

Guard your mouth. Speak life. Ask the Lord to connect your declarations to His deeds.

God has not called His people to be silent, but neither has He called us to burn with destructive anger. He has called us to speak truth with love, to let our words carry light instead of destruction.

**9. 5786 will demand discernment.** Do not let the number six stir fear or speculation about the end times. Fix your eyes on Jesus. Practice discernment. This year is not about panic. It is about connection to the King.

This is more than political. It is personal. Where in your life have lies tried to take root?

Where has the fire of trial refined you? Where has God called you to open your mouth in love?

He is calling us to rise, speak, and connect heaven to earth through prayer, proclamation, and faith.

Fire can burn or it can illuminate. Which will it be in your home, in your relationships, in your calling? **Peh**, the mouth, can curse or it can bless. What words will you choose in this new year?

**Vav**, the connection, can bind you to despair or to hope. What will you be joined to?

**This year, Rosh Hashanah begins on September 11, of 2026.**

The date of 911, and an election year! (No coincidence!)

### **Genesis 1:26-31**

Then God said, "Let Us (Father, Son, Holy Spirit) make man in Our image, according to Our likeness [not physical, but a spiritual personality and moral likeness];

Vav means hook, and that is what the antichrist does, he hooks the world and draws them in.

That word and that connects the heavens and the earth has the word vav within it because it hooks and connects spiritual matters to physical matters.

### **Prophetic Warning: Entering the Year 5786 & What It Means for America**

Why this is significant is that **6** is the number of man; we can link it to the Messiah, Jesus Christ, whose

body was broken for our deliverance. Since vav has a value of 6, which represents the number of man, the broken vav represents a man who is broken. The man Jesus has been broken for the sake of the covenant of peace that brought atonement to Israel.

**So vav looks like a tent peg has a numerical value of 6, we find it broken in the word shalom, Now, taking a hook and looking at what a hook does, it not only connects, but think about it when a fish is hooked, the hook drags the fish where the master with the pole determines it does and REELS IT IN.**

We have seen it in the Church in the conservative arena that the enemy has put out bait on a hook the enemy is FISHING to lure people out from the road they are supposed to walk with the Lord, luring them into false ideologies, luring, remember a lure has a hook on it, luring them into offense, luring them into ridiculous superficial issues, luring them into attacking the covenant of the Lord and his people.

Now, to hook something, it has to be hungry; it has to be led to look for sustenance, except we are not talking about physical food but spiritual food ideologies, toxic twisting's of philosophies from the pits of hell.

The enemy loves to mix a little bit of truth and dilute it with a whole lot of lies.

The battle is fierce to weary you; however, this is the time you either know in your soul the power that raised Christ from the dead dwells within you, or the enemy will get those to abandon their posts.

If the enemy can get mayors and governors in highly coveted areas to ratify their agendas legally in that area by opening up spiritual **gates** through policy, that area then becomes a stronghold.

You see, a hungry fish has a certain mindset, it has no discernment, its flesh is leading the charge, and it is looking for the first available and that lack of discernment, when the fish sees a SHINY LURE, they get hooked.

While you see revival, you see more Church brokenness, splits, accusations, placation, and falls into compromise.

The enemy understands the power of agreement in the occult; they are taught to work together for the mission, even if they don't agree.

So if the agreement in the Church has erupted into an enormous dumpster fire, the enemy weakens the FIREWALL the Church is supposed to have up.

A FIREWALL, in technology terms, is a guard that is up to prevent highly invasive and destructive viruses and malware from entering your computer the firewall goes down, the chances greatly increase for an infiltration. **We as the Church are supposed to be the FIREWALL!**

Almighty God is a consuming Fire. That FIREWALL is meant to, spiritually speaking, prevent the enemy from planting and launching what is meant to steal, kill, and destroy. That firewall, because of the dilution of the word and of strife within the Church, has been lowered. A hook cannot get through a firewall that is up.

The Lord says MY PEOPLE, not the world, not the lost, the turning of a nation depends upon Almighty God's people humbling themselves, praying, and seeking His face while turning from their wicked ways.

The enemy is going to do everything he can to try to get you off your position and out of alignment with God “What it’s after is stealing your highest and best through compromise and comfort.

The Vav is the word *and* this connects heaven with earth. Therefore looking at the picture above Vav connects the He (5) to the Zayin (7). He is the breath and Zayin is a sword, a weapon. This means you need to connect your breath, your words, your mouth to the sword which is the sword of the Spirit, the Word of God.

## 10. Speak the Word of God

1. Your first instructions for this year is to speak the word of God. THAT is your weapon.

2. Don’t use your mouth, your breath to murder (curses = criticizing/complaining) anyone, because **this would be the year when you come under judgment for speaking out of turn.** The best thing for you to do if you don’t understand something or someone is remain quiet and ask God for clarity.

You are better off saying nothing than speaking against someone who is on an assignment from the Lord and you didn’t discern it properly

5786 will be a year of great shaking, yet also a year where the Lord Himself will stabilize His people. He is preparing His remnant, assuring them that while the storms rage and the nations tremble, He will secure His people as pegs fastened in His covenant purposes.

The peg (Vav) is the core theme for this year. A peg represents stability, permanence, and anchoring. Just as a tent cannot stand without pegs fastening it into the ground, so the Lord says His people will be secured in Him while the world remains in upheaval. What the enemy thought would stand will be removed; what God secures will remain unmovable.

In this year, shaking will not cease. The Lord has already spoken: “Once more I will shake not only the earth but also the heavens... so that only unshakable things will remain” (**Hebrews 12:26–27**). And again in Haggai: “I will shake all nations, and what is desired by all nations will come, and I will fill this house with glory” (**Haggai 2:6–7**). Shaking is not for the destruction of God’s people but for their strengthening. It is how He realigns nations, exposes corruption, and reveals His glory. 5786 will bring storms, persecution, psychological warfare, and continued threats on the global stage, yet those anchored in God’s covenant love will stand.

That means this year carries the weight of God’s judicial authority. He will issue verdicts. As you enter the year 5786, be reassured: the hook of My love, My covenant, will never let you go — even through gusty storms and unexpected upheaval.

*In this new year, do not rely on your own strength or on what has worked before; what once held you will not necessarily hold in the coming storm. Hold on to Him, by His Word! Read His Word, Study His Word, Believe His Word, Speak His Word, be fully connected, fully committed, fully faithful, change, grow. Focus on building His kingdom, not yours! Don’t draw back, press in more! Refuse offense, walk in love at any cost! The fullness of supply is on the road of obedience! Don’t miss any of what He has for you! The “big fix” requires our full focus, and participation, our faith to His grace!...*
