

Pastor Jack Myers Prophecy - AM Service 02.18.2024

We worship you! Thank you, Jesus! We worship you!

Don't be weary in well doing. Don't give up. Press into the high calling in Christ.
Don't be weary in well doing. Don't lose your declaration. Don't lose your confession.
Don't lose your confession of faith. Don't lose it, just keep pressing in. Keep pressing!

When you are weak, He is strong. He will not leave you nor forsake you or relax His hold on you.
Stay in the game, don't fall out. Stay in the game, stay in the game, don't fall out!

Stay with your confession. Stay with your declaration. Stay with The Great Physician.

Don't be moved by the circumstances. Don't be moved by what you're feeling in your body.
Don't be moved by your financial situation. Don't be moved by that. Don't be moved.

God is moving things around for you. God is redirecting things around for you.
He's repositioning you. He's repositioning you for the total victory over that which is faced right now.
God is going to do it for you because you are doing it for yourself.

So, don't give up, don't give up, don't give up. Keep pressing, keep changing, keep growing.

Your prayer should be, Lord, change me, rearrange me. I don't wanna be the same, Lord, I wanna be totally controlled by You. I wanna be totally led by you in every decision that I make.

Come on, just worship him. We worship you, Lord! Sometimes you just need to soak in his presence.
You just need to be in His presence. You need to express your love for God.
Just express your love for God. Thank Him for clarity.

He loves you so much! He loves you so much that He refuses for you to stay the same.

He will speak to you, and he'll speak to your heart about the adjustments that we all need to make;
and that's a good thing because he's a Good Daddy and we are His children.

Because, to continue on could lead down to a road of serious hurt and destruction and
God does not take pleasure in those that draw back.

It's a journey and that journey has VICTORY written all over it.
Jesus, Jesus, Jesus, Jesus, Jesus, Jesus, Jesus, Jesus, Jesus, Jesus!

You do not have to question, does God love you?
He loves you, but you might need to ask yourself...

How much do you love God?

I love You God!
