

Emmanuel, God with us...Christmas 2022

Who is this King who died for me,
Who is this king who came to set me free.
Who is this King who saved, healed and delivered me,
Who is this King who made a plan for me,
who loves, blesses and prospers me.
Who is this King who gives me purpose and passion,
Who is this King who fills my mind with knowledge,
my soul with understanding and my spirit with wisdom.
Who is this King who transforms me with His Word,
and leads me into His future by His Spirit.
Who is this King who prepares a place for me,
to be with Him for all eternity.
Who is this One ever faithful and true,
He is the one who died for me and for you.
Come, take His hand, come find the joy of His plan.
One way, one truth, one life,
He already made Himself the sacrifice,
Come and receive this free gift from my king, on His birthday to you He brings.
Ask Him in your heart and your new life will start!

If you have already made Him your Savior, then make Him your Lord as well,
you will begin to grow, you will be able to tell.
Make Him the Lord of your life and your future is bright!

Emmanuel, God is with you!
