

Heaven's Call (parody to Ireland's call by Celtic Thunder)

Come the day and come the hour
come the power and the Glory,
We have come to answer Heaven's call
For King and Kingdom Forever
The body of Christ
His Church
together standing tall
shoulder to shoulder
we answer Heavens Call,
From the north, south, east & west
The Lords' Body
together standing tall
Shoulder to shoulder
We answer Heaven's call,
Hearts of steel and heads un-bowing
vowing never to be broken
we will fight with faith till that final hour
when our victory brings us home forever,
The Church, His body
together standing tall
Shoulder to shoulder
We answer Heavens call,
we answer Heavens call!
