

Pastor Jack Myers Prophecy 7.29.26 PM

Just worship Him. He's working it out; I said He's working it out for you.

He's working out your family; He's working out your finances.

He's working out your business dealings. He's working it out for you, He's working out locations,

He's working out people you need to meet; He's working, He's working it out. He's working it out.

Oh you're, you're the blessing. You're the blessing in other people's lives. You're the light.

You don't dwell in darkness; no, you're in the Light. For the Light is on the inside of you.

For the Greater One, the Greater One, The Holy One, The Great I AM, the One that was, and is and is to come.

Yea, no, don't hang your head low, don't hang your head low, lift up your head for your redemption draws nigh.

Oh yea, be encouraged, don't be discouraged, be lifted up. Be drawn up. He'll lift you up like wings of eagles.

He'll set you at His mighty right hand. You're seated with The Greater One.

You're seated with The King of the Universe. You're seated with the owner of everything. He's with you,

He's with you. You don't have to toil. Toiling and striving, you don't have to toil or strive.

No, His yoke is easy and His burden is light. Oh yea, just be strengthened in your inner man. Be strengthened.

Don't go by what you see. God's working it out. He's working it out for you and me. Don't go by circumstances.

Don't go by the economy. Don't go by government decisions. No, go by the Word of God.

Which is the final decision. Stand on the Word. Stand on the Word. Stand on the Word.

Stand on the Word and you shall see it come to pass. Stand on the Word. Speak the Word,

Speak the Word only, like Jesus spoke the Word and things happened. Speak into the very atmosphere.

Speak over your finances, speak over your job, speak over your boss, speak over your business,

your business dealings. Oh, He's working it out. He's working it out for you. Good things, great things,

innumerable things, innumerable blessings, it's coming your way, it's coming your way, don't give up.

Don't quit. Don't be discouraged. Don't hang your head low. Lift up your head,

for your redemption draws nigh. Oh yeah, He's for you, and if He's for you then who can be against you.

All Heaven is for you. So be encouraged, be encouraged, oh it's an adventurous life, that you've been given.

It's a pure life. It's a Holy life, it's a fulfillment life that you've been given, says The Spirit of the Living God.

Hallelujah, and keep speaking over your bodies. Keep speaking over your finances. Keep speaking.

Speak those things that be not as though they were. Oh yea, and He'll give you the desires of your heart.

Oh, He'll bring it to pass. It shall come to pass at last. It shall come to pass; it shall come to pass.

You shall see it, you shall have it, oh yea, the blessing shall overtake you. The blessing of Heaven,

the blessing of Heaven. Oh I, I've even loosed angels on your behalf; to go bring things in that normally,

you wouldn't be able to do it by yourself. No, no I'll make a way where there seems to be no way.

I'll make the crooked paths straight says the Spirit of the Living God. So be encouraged, don't be discouraged.
Oh yea, you shall see it. It shall come to pass, even some things in the next 90 days,
In the next 90 days when it seemed to be impossible, suddenly turnaround, it just turned around.
You're like how am I going to do this how is this going to get done. Now, it will be easy, it will be an easy thing,
it'll be an easy thing, it'll be an easy thing, and suddenly that which was not there is now there.
You're like Hallelujah God did it, God did it for me. God did it for me. He moved on my behalf.
That which I could not make happen, He made happen. That which others could not make happen for me,
He made happen for me says the Spirit of the Living God. So be encouraged, don't be discouraged.
Don't be down trodden. It's going to get better and better and gooder and gooder,
and better and better and gooder and gooder, better and better and gooder and gooder,
it's gonna get better and better. It is, it is, it is. Don't look at what you see. Look to the One that's unseen.
For the things that are seen are only temporary, but look to the things that are unseen,
for they are everlasting and eternal. Oh yea, I AM, I'm not, not mindful of the feelings of your infirmities,
I've been there. I know what it means to be rejected by family. Do you not know my own Father rejected me?
Do you not know that the weight of sin and treason was placed upon me.
Do you not know the stripes that I endured at the whipping post, oh yea, all for you. All for you.
I took your sorrow, I took your pain, I took your sickness, I took your poverty, I took your lack, I took it, I did it,
I did it for you, I did it for you, I did it for you, I did it for you says the Spirit of God, I did it for you.
So that you do have to be burdened, burdened down with the issues of life. No, no. No, no.
I'll raise you up higher than you could have ever gone before on your own, for I've paid the price.
I'll lift you up above the doldrums of this life. You will soar on the wings of eagles. You'll see. You shall see it.
It's just a temporary thing happening, just temporary. I'm moving on your behalf. And in some situations,
I have to move others that don't cooperate very well, but I'm moving. I'll make a way, says the Spirit of God,
and then I'll get all the credit. I'll get all the credit says the Lord. I'll get all the credit, that's all I'm just,
I'm just looking for you to thank Me, that's all. That's all, I'm just looking for that, just thanks.
Thanks, is good enough, thanks is good enough. Thanks, and gratitude. Yea, that's all. So don't be worried.
Don't be concerned. I'll make it happen. Say's the Spirit of the Living God. Glory, well glory.
